

BMP: COVER CROPPING PROJECT – Purchasing or Upgrading Seeder Equipment

Seeder Equipment Purchase or Upgrade: e.g. no-till drills, air seeders, broadcast seeders, vertical tillage implements, or other tools directly required for planting cover crops. Cost share is 50% of total expenses (up to \$30,000 for lifetime of the program). **Equipment Purchase or Upgrade must be accompanied by a cover cropping application funded through PWCP.**

By checking and initialing, I confirm that the following is true:

☐

This project is a new practice for my operation, or it is an expansion of a practice that I have implemented on new land/acres than previous years. _____Initials
