**The Applicant Shall:**

- Allow consent of entry onto property for purposes of the project;
- Provide access for inspection, tours or evaluation by WD Board or staff at any reasonable time;
- Not remove, destroy or alter project without prior authorization of the Watershed District;
- Replace at 100% cost if damage to the project is the result of the neglect of any of the preceding;
- Assist the Watershed District in developing guidelines for the operation of any water control structures constructed as a part of the project;
- Be responsible for routine maintenance of the project area including but not limited to mowing, cleaning of runways, etc.;
- Allow District to place signage at project site for WD contribution to project; signage removal must be approved by the Watershed District prior to removal; and
- Indemnify and save harmless the District from any and all actions, claims, suits, damages, injuries, or other loss no matter howsoever arising as a result of the construction, operation or maintenance of the project.
