

BMP: COVER CROPPING PROJECT – Purchasing or Upgrading Equipment to Plant Cover Crops

Purchasing or Upgrading Equipment to Plant Cover Crops: e.g. no-till drills, air seeders, vertical tillage implements, or other tools directly required for planting cover crops.

Up to 50% of total expenses (up to \$30,000 for the lifetime of the program)

Equipment Purchase or Upgrade must be accompanied by a cover cropping application funded through PWCP

By initialling, I confirm that the following is true:

This project is a new practice for my operation, or it is an expansion that I have implemented on new land/acres. _____ Initials

Equipment Type	Cost	In-Kind	Eligible Cost

Verified by staff: _____ Initials
